MAR-MAC RODBUSTER

Spring 2021

Dear RodBuster,

For those who have asked and waited, your MAR-MAC letter and gifts are finally here!

We hope that in the interim since we've written you that you and your family remain free of the hardships so many have faced so recently.

As restrictions have been lifted, we have slowly been able to do some of the things we enjoy most and actually see our customers. We went to World of Concrete 2021 as attendees, and will resume exhibiting again at World of Concrete 2022. We were also a sponsor at the Ironworkers Festival again and are looking forward to returning next year!

Prosthetic for Mr. Richard Hernandez cast with our newest rodbuster shirt.

In terms of us, we've been fortunate enough to retain material for our customers where others have struggled due to supply chain problems. We've also recently renovated some of our office spaces in interest of our employee's health and safety.
